

Open Call moOv – Here with you

moOv, a partnership between Izah Hankammer & Lucas Devroe, is currently working towards a public space performance *Here with you* for the upcoming event Dansjacht by Dansbrabant on the 18th of October 2020 in Tilburg, The Netherlands.

Here with you focuses on the social gesture of hand holding. In this time of crisis, social support has become more vital to our daily lives, especially given the social distancing measures that have been implemented. Through this performance, we want to portray the beauty of holding hands and the care, support, and love that this simple gesture can possess – three things that are critical to us in this time of crisis.

For this production, we are looking for **two amateur dancers / dance and performance enthusiasts (m/f/x) based in the Netherlands** who are interested in taking part in a creation process and performing in public space. We highly encourage individuals of diverse backgrounds to apply.
